"The Wrong Start"

By: Jim Boyd

There is one sure thing that can be said about liberal religionists and that is they are an arrogant and pompous crowd. They presume the right to tell God how they can come to Him even when it transgresses what God has taught in the Word. They will insist in praying the "sinner's prayer." just raise your hand and ask God to save you, do whatever you wish as long as you are sincere and God is obligated to accept it. And they wonder why their critics think they must think they are the god to obey. By what line of reason does any man consider his will to be above God's will and God must take whatever man dishes out? That is LIBERALISM.

In spite of all the hoopla from liberal pulpits, faith, repentance, confession of Christ and baptism into Christ for remission of sins remains the Biblical teaching regarding how sinful man comes to God. Nobody can change that. It may be ignored and ridiculed but it remains that way.

We invite you to worship with us this Sunday at Central Church of Christ. You will find a warm and friendly welcome as we study God's word together. Please contact the church office at 473-6537 for questions or comments, or online at http://www.churchatcentral.org for other events and information.

Prayer

Prayer is the central spiritual discipline, since it places us in communion with God. When Paul tells us to pray without ceasing (1 Thessalonians 5:17), he is saying that our communion with God should be a constant and never-ending state of being. Brother Lawrence showed us one way to do this in "Practicing the Presence of God," where he explains that even while doing our mundane daily activities such as washing pots and pans we can be communicating with God and aware of His presence. Our interior dialogue with God may at times become more of a monologue, and while that is okay (since God's patience is infinite), it is at times advisable to stop talking and to listen to what God has to say. There are times when we can simply be quiet and rest in the awareness that God is there, praying "Here I am Lord, your servant is listening." But real prayer is transformative. We must be willing to change, and willing to let God's will be done, not ours. Jesus, after all, prayed "not my will, but yours be done." (Luke 22:42 NIV) And James tells us that "When you ask, you do not receive, because you ask with wrong motives, that you may spend what you get on your pleasures." (James 4:3 NIV) How often are our prayers pure selfishness, asking for a return to health, or for wealth, or some other source of pleasure? Instead, let us pray for the grace and wisdom to know God's will, and the strength and courage to do it.
– Christopher Simon
