Best Nail Salon: Pro Nails

Eleven years ago, Danny Pham opened the doors of his business Pro Nails in Martin. Eleven years later, his business has claimed top honors in the Press' Reader's Choice awards.

Pro Nails, located at 307 University St., has been named as Best Nail Salon in Weakley County by readers of the Weakley County Press.

The full-service nail salon is set up for pampering of your feet and hands. From pedicures to manicures, the salon will treat your nails like those of royalty.

The staff offers the latest in nail treatments, including cuticle treatment, filing and shaping, gel coats and the latest trends of colors.

Pro Nails uses brands such as OPI, which is heavily-pigmented, super-rich color, and chip-resistant for their customers.

Some of the latest trends include gel overlays, which are cured by UV lighting, giving nails a high gloss with a weightless feel. They don't stop there. If you're unhappy with your own nails, the staff can offer acrylic nails and nail tips. For an added festive flair, consider airbrush designs or nail art, all of which can be achieved at Pro Nails.

It's hard to go wrong when giving the gift of pampering, and Pro Nails offers gift certificates for manis and pedis.

Stop by and see Danny and the staff of the nail salon voted the best in Weakley County. Pro Nails is open Mondays from 12-7 p.m. and Tuesday through Saturday from 10 a.m. until 7 p.m.

Make an appointment by calling (731) 588-5775. Like their page on Facebook and congratulate Pro Nails for being chosen as Best Nail Salon.
