Other events, as reported in the Central Kentucky News Journal include the annual Kids Fishing Derby on Aug. 17. This event allows children of all ages to and fish for free on the lake. All of the equipment is supplied, and no pre-registration is necessary. The event is held at the Green River Lake State Park shoreline near the picnic shelter.

Sept. 21 will be the annual Lakeshore Cleanup. This is an opportunity for people to help clean the shoreline at Green River Lake. All of the equipment is provided each year, and all ages are welcome. More information will become available as the date gets closer.

On Oct. 5, Fishing with a Veteran will launch from the Holmes Bend Boat Ramp on Green River Lake. The annual event is a way to give back to local veterans and "thank them for their service" by taking them fishing.

"This is a once-in-a-lifetime opportunity to celebrate everything we have here and everything we should really value," Bell said. "This is a big deal."
