LWHS 100th Celebration Trilogy Weekend A Blast

Lake Worth High School teamed up with the LWHS Alumni Association to present a trilogy of events over the weekend.

Dr. Annette Gilbert, a Guidance Counselor at the school for over 25 years and a 1977 graduate of LWHS was in charge of the events. Two years of blood, sweat and tears culminated in a wonderful and successful weekend.

Friday night, the trilogy kicked off with a gathering at The Irish Brigade downtown Lake Worth Beach. Entertainment was provided by LWHS AFJROTC Honor Guard, the Trojan Pride Chorus and the Trojan Sound to the delight of everyone in attendance.

Saturday was the GALA at the Casino with Dignitaries, Alumni and faculty and staff in attendance. There was another unannounced appearance by the Trojan Sound to the delight of all.

Sunday there was a picnic in Sunset Ridge Park to gound out the trilogy.

The Trojan Sound Drum Line paraded through The Irish Brigade in a surprise appearance to the delight of a room full of Trojan Alumni.

Eagle Scout Will Adds to Greenacres LFL's

The City of Greenacres now has a total of 34 little library's - 32 of which are chartered thanks to the efforts of Eagle Scout, Will. Due to COVID this project has been years in the making! Six newly repurposed, painted newspaper containers, by talented local artists, were installed and filled with new books.

This helps fulfill the City's ongoing trilingual literacy efforts throughout the community. The City is very honored to be the recipient of these creative, fun, and individualized library units.

The City would like to thank all the site hosts, volunteer artists, installation assistants, library stewart's, and the very generous book donors for their time and generosity.

Palm Beach County School Board Member Erica Whitfield stops by to visit with former LWHS Principal, and self proclaimed *Handsomest LWHS Principal ever*, Dave Cantley and his wife Kay during the Centinnial Celebration Gala at the Lake Worth Beach Casino. *More celebration pictures on page 6-7.
