Minco kids support cancer patient

The boys and girls who attend Team Kids on Wednesday nights at the First Baptist Church, Minco, recently heard about a boy in Tulsa who is battling cancer. He is Cade Wegener, whose grandparents are E.C. and Ann Wegener of Minco. The Team Kids made a large Get Well card for Cade which had group pictures of all of them and all their signatures. Cade is currently undergoing radiation treatments daily at ProCure in Oklahoma City, so the Team Kids were able to get their card delivered to Cade there. He was so excited to hear from the Minco children. He and his grandmother made a Thank You card for the boys and girls at Team Kids with pictures showing how happy Cade was to receive their good wishes.
