

Dixon Area Caring Center – Cont. from page 28.

gust. In 2015, more than 300 local Dixon school students benefitted from this volunteer, organized effort. Students may move throughout the booth area on that evening and receive every single supply that teachers have requested the pupils need to begin the new school year – from backpacks to pencils, and many things in-between! In addition, the DACC volunteers serve a meal to attendees of this event.

Coming soon – the addition of a new Fitness Center next door to DACC is scheduled to

open in 2016. There will be membership costs associated with joining; the charge will be enough to cover DACC expenses to operate the fitness facility. Plans are to be open 24 hours a day, but a pass card will be required to enter. As with all other endeavors of the Dixon Area Caring Center, volunteers are vital to its continuance.

Dixon Area Caring Center is open Monday-Friday, 9:00 a.m.-5:00 p.m., and Saturday, 9:00 a.m.-1:00 p.m. Donations are accepted daily.
