

Dixon Area Chamber of Commerce

Looking for a way to serve the Dixon community? There are numerous events and projects in which you can volunteer by getting involved in the Dixon Area Chamber of Commerce. The Chamber works for the betterment of the community with a goal to make Dixon an area that people are proud of and would like to make it their home. They also want to do all they can to promote the businesses in the community.

The Cow Days Fall Festival is their major community service each year. It is always a big attraction and is scheduled for the third weekend (Friday and Saturday) of September. The 2016 event will be the 32nd consecutive

year of the festival and it's the only place we know that people can actually win a cow!!

For the past 31 years, the Dixon Chamber of Commerce has also sponsored the annual Miss Merry Christmas Pageant each November. The Chamber has hosted movies in the park, donated to the

local Christmas decorations and Back to School Fair, along with numerous small projects throughout the community.

A few years ago the Chamber joined with the Dixon Lions Club to bring back the Dixon Christmas Parade in conjunction with Christmas In The Park festivities. The parade is scheduled at night, which is rare, allowing the participants to display lights. The Christmas festivities such as the lighted parade and Christmas in the Park are always subject to the weather.

The Chamber is constantly trying to think of ways to improve the organization and invite others to become a part of the Chamber of Commerce. Volunteers are always needed in the different areas of organizing events. Any and all residents are encouraged to join!

They have a Facebook page that provides information about all scheduled events and other information about the Chamber. They can be found on Facebook at Dixon Chamber of Commerce.
