Oak Hills Country Club

By *Connie Erisman*

Whether it is golfing on a beautiful Missouri morning or enjoying a dip in the cool waters of Oak Hills swimmin pool at the Country Club area on the outskirts of Dixon offers leisure at its best. A snack bar provides tasty treats for all. Oak Hills challenges golfers skills at every level. Improvements are continually being made. The zoysia grass watered fairways add to the courses overall beauty.

Most every hole on the course offers a scenic view of Oak Hills Lake.

The club offers several special events including the Mid America Bank and Trust tournament, club sponsored tournaments and three man scrambles. Other organizations and groups may lease the course for various activities too.

The clubhouse features a room for meetings that will seat approximately 80 people. Weddings, receptions, reunions, parties and other functions have been hosted there.

You've worked hard, and you're looking for a way to unwind. The question is not whether you should enjoy yourself but where there is nothing like a few rounds of golf to put things back in proper perspective you deserve it!
