“Electing to use the services of a nursing center is one of the most difficult decisions a loving and caring family will ever have to make. Our Staff hopes to assist you in reaching the right decision through love, patience and understanding. We invite you to discover the difference;

visit our center and experience the warm comfortable environment it has to offer.

Our team of dedicated professionals is available to assist you and answer any questions you may have. We want you to be confident that when you choose a Health Systems managed facility, you have chosen quality care from...people who care.”

Sincerely,
Theresa Lasher
Administrator

Dining...

To enhance the home-like atmosphere, residents are encouraged to eat in the dining room and interact with fellow residents. Home-cooked meals are prepared in accordance with physicians orders and are directed by a registered dietician. Supervised Nutrition and Hydration programs promote resident health and well-being.

Resident Support Services...

For the convenience of our residents and their families, we have established a program of on-site services to enhance resident routines. Our on-site services include: Doctors of Podiatry, Optometry
