A Company, 2nd Battalion, 2nd Brigade, 4th Platoon Fort Leonard Wood - March 1966

This is the picture of A Company, 2nd Battalion, 2nd Brigade, 4th Platoon taken in March of 1966 at Fort Leonard Wood. Rodney Yoakum of Dixon is on the front row standing, on the end of the left side.

We had five people from Maries County and three of them had Dixon addresses. The five were F.C. Kinkead, Stan Martin, Leon Otto, Virgil Wieberg, and Rodney Yoakum. The three from Dixon were Martin, Otto, and Yoakum.

We traveled from Vienna, MO to St. Louis. We were at the induction center at 12th and Spruce in St. Louis and from there went to Ft. Wood for basic training. We were all assigned to A Co. I was in the 4th Platoon. Martin and Otto were in the 3rd Platoon. I am not sure where Kinkead and Wieberg were assigned.

It's hard to believe it has been 50 years. Submitted by Rodney Yoakum
