

# Henry/Midland High School FFA Team Wins LUC2 Envirothon At Black Hawk College

The Marshall-Putnam River Conservancy District and the Marshall-Putnam Soil & Water Conservation District are proud to announce that five FFA students, four from Midland High School and one from Henry -Senachwine High School, have won the Regional LUC 2 Envirothon competition that was held March 15th at Black Hawk Community College in Kewanee.

Placing 1st out of 20 teams competing, Logan Pyles, Wyatt Colvin, Zack Weber, Kieran Sloan and Heidi Harrison, along with coaches Darin Blunier, Brad Stork and Cody Miller are proud to make up the team of students and coaches.

They will put their skills to use at the State Envirothon in Monticello at the end of April. The students will sit thru presentations and be judged on their knowledge of 5 topics - Aquatics, Forestry, Soils, Wildlife and Agricultural Soil and Water Conservation Stewardship. They will be competing against 15 other regional teams.

This year, the students on this team believe they have a slight

advantage. As a team, they won the Regional LUC 2 Envirothon in 2016. Together, they competed at the state level, placing 5th overall. This year, their goal is to place 1st in the state and head to Maryland for the National Competition in July.

Congratulations to the students of the FFA team!!! We are so very proud of all your accomplishments and cannot wait to see you compete at the State Competition!

## Stickers

(From Toluca Front Page) tires, a rearview mirror, red reflectorized warning devices in the front and rear, a slow moving emblem on the rear, a headlight that emits a white light visible from a distance of 500 feet to the front, a tail lamp that emits a red light visible from at least 100 feet from the rear, brake lights, and turn signals.

The vehicle will be inspected and approved by the Chief of Police or a designated person.

# Midland Chorus & Band Competes At Normal West

Midland High School Chorus and Band students competed in the IHSA Solo/Ensemble Contest on March 4th at Normal Community West High School. Students performed before judges and were rated on their musicianship, tone quality and stage presence. Mid-

land was proud to bring home 19 first place medals and 10 second place ratings.

Pictured are the participating students, in front from left to right: Kallie Meyer, Alyssa Murphy, Julie Rodriguez, Will Holler, Nolan Drake, Olson Drake, Katherine

Wiest and Tamara Comer. Second Row: Allison Darlington, Allison Hattan, AJ Foster, Kieran Sloan, Noah Fairall, Keegan Shaffer, Mikel McQuilken Third Row: Sierra Colvin, Kai Wiest, Summer Connors, Courtney Kingen, Kayla Shaffer and Calli Clare

*Congratulations* **Midland High School**  
**March Student Of The Month**  
**Justin Rapp**

Midland High School and Hickory Point Bank in Varna are proud to announce the Student of the Month for March as Justin Rapp. Justin is a senior at Midland High School and was chosen by the Midland faculty. Faculty was asked to choose a senior who exemplifies academic success, citizenship, and personal development. This includes characteristics like: being a good role model, working to full potential, being respectful and courteous, and being active in the school and community.

Justin is a foreign exchange student from Germany spending one year at Midland High School, and he is making the most of his time here. Justin played football in the fall, which was the one thing he dreamed of doing in America, and he is currently playing baseball. Justin's hobbies include soccer, tennis, handball, fishing, snowboarding, and playing baseball. Justin's favorite books are from the Eragon series, and his favorite movies are all from the horror genre. Justin is unable to name one teacher as his favorite at Midland, stating that he likes every teacher. He did list foods and geography as his favorite classes. Mr. Gauwitz, Midland High School principal, had this to say about Justin: "Justin was a pleasure to have with us for the 2016-2017 school year. He is a great example of the type of student we want as educators. He is polite, respectful, and is always willing to try new things. He will be greatly missed, and will always be a part of our Midland family."

Justin plans to return to Germany after participating in our graduation ceremony in May. He is unsure of whether or not he will continue his education once he returns, or if he will start working. It has been a pleasure having Justin on our campus. Congratulations to Midland High School's March Student of the Month, Justin Rapp!
