

Dresden Farmers Market Sets Holiday Mood

The beautifully decorated Farmers Market in Dresden, located at the corner of Linden and Jefferson streets, is lit up with colorful lights in celebration of the Christmas season. A huge illuminated sign across the end of the structure proclaims "Merry Christmas." The lights were hung by Dresden Parks and Recreation Department director Joey Winstead and his crew.

P.S. Do you think you can talk to my mommy about getting me a new kitty. Max, my dog gets lonely.

Santa Letters

Dear Santa,
My name is Emmitt Alexander Milbrath. I am from Palmersville TN and I am 9 months old this month. I have been an especially good boy this year, bringing smiles and laughter to everyone I know. I've done my very best to be on the nice list. I have thought long and hard about what I would like for Christmas. For my first Christmas, I would like a John Deere pedal tractor and a swing

Merry Christmas, Santa!
