

Welcome Ridge to perform at TT

The Welcome Ridge Band is a local family band from Marion County who believes that "good timing and a passion for what you do is the key to good entertainment." Gordon Davenport plays guitar and vocals, while his wife, Linda Davenport, adds her own singing voice. Their son, Will Davenport, plays bass and provides additional vocals and Dillon Endicott, Gordon Davenport's nephew, plays lead guitar and provides vocals. Gordon's son-in-law, Travis Swanson, plays drums while first cousin Stacy Davenport rounds out the group on fiddle. The group plays both country and Southern rock. They extend their sincere thanks to their sponsors, Gregg Farm Services and Davenport Realty! For your dancing or listening pleasure, come out Friday night, October 12, and listen to the sounds of the Welcome Ridge Band at the Turkey Trot Street Dance on the Square in Yellville.
