Green County vs. Campbellsville

Kanin is a tough, intense competitor. He has worked hard in the weight room to improve his size and strength and has worked himself into a starting role on defense in the secondary. We look for Kanin to have a solid junior campaign in all three phases of the game.

Davonte is one of the most athletic players on our team. His speed gives him the ability to break a long run (as he showed several times last season) any time he touches the ball on offense. Davonte will be looked at build off last year and continue to be a standout on both sides of the ball.

Bryce is undoubtedly the strongest player on our football team. He dedicated himself to improving this strength numbers in all areas and far surpassed all expectations. We are looking for him to make a big impact on the defensive line. He will be looked at to be a force in the middle of our defense.
