The Saraland softball team will have a little something extra when it takes the field this season, according to head coach Donna Sunnycalb.

"I think our strength is going to lie with our (seven) seniors and the leadership they provide for the program," she said.

Those seniors are Camryn McLemore, Katie Head, Kristen Black, Brinkley Goff, Carolyn Kelly, Kimberlee Poiroux and Emaleigh Poiroux. Sunnycalb said she believes the experience, talent and leadership of the senior group will prove to be a big plus for the Spartans this season.

"Katie and Camryn are both four-year starters," Sunnycalb said. "We've got some others like Kristen Black who has been starting at second base since she was in the seventh grade."

As such, the Spartans are armed with players who know the system and the competition level they will face this season. But there are a couple of spots that need to be filled this season, including catcher and first and third base.

Saraland coach Donna Sunnycalb chats with senior Kristen Black.
