

Lancers get a win

The Lancers, who have struggled a bit in the early part of the season, didn't struggle much in their first game of 2019.

They took it to Marmaton Valley 54-21 as they outscored Marmaton Valley in every quarter.

The middle two quarters were the major difference. Crest held a 9-3 lead at the end of the opening quarter

and they outscored the home team 14-5 in the second and 23-8 in the third to take a commanding lead, then cruised in to win it.

An improved defense was key, according to coach Travis Hermreck. His team played their best defense of the season and it showed, he added.

Hayden Hermreck led the offense with 28 points. He made two treys, eight field goals, went 6-6 from the line, had 11 rebounds and an assist on the night.

The Allen County Aces 18's took 2nd place in the Sunflower Slam at the Elite Sports Center in Olathe on Sunday, January 6. Front row – left to right: Jessica Myers, Emilee Roberts, Emersyn Hall, and Cassie Bowen. Back row – left to right: Alayna Johnson, Tori Busse, Kassi Coons, and Piper Moore. The players are from Allen and southern Anderson County.
