Students Present Musical Bedside Manor

The Rothsay High School music department presented the musical Bedside Manor April 20 and 21, 2012. Prior to the Saturday evening performance, we took a look behind the scenes.

The musical was directed by Heather Reber and Steph Curlis. Just before the opening curtain of the first performance, Reber took to the stage to give special thanks to a few key people. Reber thanked Genya Booye for early morning treats and gave special thanks to seniors Andrea Forslie and Payden Lindsay for their leadership and dedication over the years. Andrea and Payden surprised the stage crew for hours of work behind the scenes. Stage crew members included Skylar Buckingham, Andrea Lindsey, Payden Lindsay, and Miss Eagle Eye – Ariana Lankow.

Unfortunately, the schedule for the logistics crew did not match the performance, making it necessary to make changes. The schedule was changed at the last minute, so the crew had to adapt to the changes. The stage designer, Miss Eagle Eye, had to work with the stage crew to make sure everything was in place for the show. The stage crew did an excellent job with all the changes, and the show went on without a hitch.

After the musical, the cast and crew gathered in the auditorium for a Q&A session. The audience had the opportunity to ask questions about the production and the actors’ experiences. The actors were happy to answer any questions and share their experiences with the audience.

The Rothsay Tiger track season is coming to an end. They have competed in nine regular meets, and the season is coming to a close. The team is coming together to stand by Avery Kady when he undergoes surgery for his kidney cancer. Everyone has enjoyed the school year, but the kids are excited for summer to come. The last day of school is on May 31 for the students.
