Deed transfers

The following deeds were filed July 3-9, 2013 in the office of Obion County Register of Deeds, Dr. Val White. A few of the details were noted in the online index, but when those and any misspellings are corrected in the public records, a corrected version will be published. No deeds will be published without exception, from record books in the register’s office.

Amounts are not shown for unequal deciduums, or deeds that do not contain a written conveyance to a state, the federal government or a political subdivision of the state.
