

Become a Tutor

Help a Child Love Learning!

Join the Oasis Tutoring Program and share your love of reading and/or math with a local K-3 student! **By volunteering one hour a week during the school year, you can make a meaningful difference.**

No teaching experience needed – just your time, heart, and love of learning. Training, materials, and support are provided.

Training sessions begin in September! Sign up at stloasis.org/tutoring or call (314) 995-9506.
