There is no better medicine for the babies than Chamberlain's Cough Remedy. Its pleasant taste and prompt and effectual cures make it a favorite with mothers and small children. It quickly cures their coughs and colds, preventing pneumonia or other serious consequences. It also cures croup and has been used in tens of thousands of cases without a single failure so far as we have been able to learn. It not only cures croup, but when given as soon as the croupy cough appears, will prevent the attack. In cases of whooping cough it liquefies the tough mucus, making it easier to expectorate, and lessens the severity and frequency of the paroxysms of coughing, thus depriving that disease of all dangerous consequences. # Poverty of Nerves

Restless, Irritable, Nervous, Involuntary Twitching of the Muscles, Sleepless Nights, Easily Worried, Depressed in Mind, Full of Aches and Pains. Cured by

## Dr. Miles' Nervine

Nerves that jump at every sudden noise; nerves that keep you awake at night; nerves that make your back ache, your heart palpitate and your temples throb; nerves that are tired, weak, irritable, and restless; these are the poverty-stricken, exhausted, starving sort of nerves that make all the trouble.

Poverty of nerves destroys your appetite, deranges your digestion, disturbs your heart and weakens your body. Poverty of nerves depresses your spirits, makes you fretful, nervous, worried, melancholy and despondent. To brighten your spirits, rest your mind and revive your flagging energies, the hungry nerves must be fed, built up and strengthened; and there is nothing in the

world that will do that so quickly and so surely as Dr. Miles' Nervine. It is a brain and nerve food and tonic of the highest order.

"Before I heard of Dr. Miles' Nervine I was ill all the time from neuralgia and nervousness. I could not sleep at night and my bones ached so I could hardly endure the pain. I was very thin and weak and whenever I would try to work I would have to sit down and cry. I was about ready to give up and die when a paper was put under my door describing Dr. Miles' Nervine and what it was good for. I took two bottles of that great nerve food and one box of Dr. Miles' Nerve and Liver Pills, and since then I rest well at night and do not get nervous as I used to. I am very grateful for the benefit I have received and would advise others to give Dr. Miles' Remedies a trial." Mrs. WILL SNORK, Shippensburg, Pa.

"I was troubled with severe nervousness, and after retiring at night would be very restless and unable to sleep. I would have nervous twitches all over my body which were very distressing and I became weak and run down from lack of sleep and rest. I commenced using Dr. Miles' Nervine and it gave me immediate relief. After using it a few days I could go to bed and sleep soundly all night and awake in the morning feeling refreshed and rested. After taking several bottles my health was entirely restored, but I always keep a bottle in the house and take a dose when I am very tired. I always recommend Dr. Miles' Nervine to anyone complaining of loss of sleep or restlessness, and have heard many praise the remedy for the good it does."
