LENGBY NEWS.

Lengby Feb. 22d.—Mr. and Mrs. Swift were in Fosston last Sunday.

Mrs. Nelson is visiting with her parents in the town of Brandsvold this week.

Mr. and Mrs. Andrew Olson were up from Fosston between trains last Sunday.

Mr. D. J. Eagen, the Deering agent, was here this week doing business with their local agents, Messrs. Ringstad & Nelson.

Mr. and Mrs. Nelson went to Fosston last Sunday. Mr. Nelson returned Tuesday.

Miss Cora Hilliard and Serina Nelson took in the masquerade at Bagley Wednesday night.

The friends of Henry Kampstad gave him a very pleasant surprise Saturday night. The house was crowded and the fun continued until early morning.

The show at the opera house Wednesday night was well attended and the darkies made them all laugh.

The saw mills are running every day and have enough logs on hand to keep them busy the rest of the winter and spring.

Wood is coming in every day in spite of the lack of snow.

In Old Kentucky.

The following is from the pen of Editor C. W. Bliss of Hillsboro N. D.:

He was shot in old Kentucky where they make the mountain dew, and the mothers feed the babies on hot revolver stew, where you wake up in the morning shot full of bullet holes, and find your rule companions are disembodied souls.

He was shot in old Kentucky, where their aim is always true, and the principal amusement is in shooting people through, where the doctors use as medicines for all human ills, a dose or two of bullets, instead of giving pills.

He was shot in old Kentucky, where "feuds" grow on the trees and the bullets from the rifles buzz through the air like bees, where the instruments they play on when they give a dance or hop, are their musical revolvers, and they "call off" with a pop.

The Poor Man's Friend.

Physicians do much to prolong life and relieve those who suffer from pain and disease. But the poor in many cases cannot afford to employ a doctor and the farmer in many instances are so far away that it is nearly impossible for them at all times to reach a doctor. Therefore the common ailments such as coughs, colds, sore throat and lagrippe, H. W. Barker's Iron Compound takes the place of a doctor, and something that the rich and poor alike may always have at hand. Recommended and for sale at P. M. Mark's Drug Store.

There is no better medicine for the babies than Chamberlain's Cough Remedy. Its pleasant taste and prompt and effectual cures make it a favorite with mothers and small children. It quickly cures their coughs and colds, preventing pneumonia or other serious consequences. It also cures croup and has been used in tens of thousands of cases without a single failure so far as we have been able to learn. It not only cures croup, but when given as soon as the croupy cough appears, will prevent the attack. In cases of whooping cough it liquefies the tough mucus, making it easier to expectorate, and lessens the severity and frequency of the paroxysms of coughing, thus depriving that disease of all dangerous consequences. For sale by P. M. Mark.

Cures the Worst Cough.

Bunsen's Pine Tar Cough Honey cures the worst cough and cold almost instantly. It is the greatest specific for coughs, colds, la grippe, pneumonia and all throat and lung affections. You should try Bunsen's Pine Tar Cough Honey immediately. It never fails to cure.

Dangerous Drugs

Are not Used in any Shape or Form in Compounding the Great Restorative,

Dr. Miles' Nervine.

Dr. Miles' Nervine has been before the public a number of years and has earned an enviable reputation by its many wonderful cures of nervous diseases. It is perfectly harmless, as it contains no trace of opium, morphine, chloral, cocaine or other narcotics or poisonous drugs, and may be taken by most delicate people without fear of contracting the drug habit. Dr. Miles' Nervine strengthens weak nerves, rests tired nerves, quiets irritated nerves and cures diseased nerves. It is a brain and nerve food as well as a medicine and induces

rest and sleep by soothing the weary brain and assisting the nerves to regain their lost vitality. "I suffered for a number of years from spinal trouble and extreme nervousness, my sleep was broken night after night by those dreadful spells of restlessness, and it seemed impossible for me to get any relief at all except by the use of powerful drugs. My physician treated me but to no avail and at last I began taking Dr. Miles' Nervine. I got relief from the very start and in a few months it had made me feel like a different man in every way. I can cheerfully recommend it to anyone suffering as I did."
WM. MILLER, box 142, Dalton, Mass.

"Some time ago our daughter, Mrs. Eliza Topping, was so badly afflicted with nervous prostration that she nearly lost her mind. She was unable to do any work and suffered so much that she got into the habit of using morphine to quiet her nerves. This condition lasted nearly three years, and she was almost a total wreck in body and mind when a lady told us about Dr. Miles' Nervine and we began giving it to her. A few bottles of this wonderful remedy cured her of the morphine habit, and removed the trouble which had been the cause of her suffering. Since then she has been a well woman."
MR. AND MRS. JOHN A. RICHEY,
"The above statement regarding my wife is strictly correct in every detail."
LIZIE TOPPING, McKinney, Texas.
