LaGrippe Kills.

Fastens its Deadly Clutch upon the Overworked, the Weak, the Debilitated, the Tired, the Worn-out and the Infirm.
Disease may be Overcome with

Dr. Miles' Nervine.

LaGrippe is a fatal disease. It has taken front rank before the dreaded small pox, scarlet fever, diphtheria, etc., in that its fatalities outnumber those of all other forms of disease. During the seasons when the grip is prevalent, every man, woman and child is exposed to its awful ravages. The atmosphere is everywhere thoroughly impregnated with the deadly germs. It is contagious as well as infectious, and may be contracted by one person from another or taken into the system in myriads of microbes through inhalation. It strikes straight to the very foundation upon which life exists—the nerves—and tears asunder the vital framework in remarkably short time.

To ward off attacks of LaGrippe, or to fight the disease during its progress, the proper medicine to use is Dr. Miles' Nervine. This famous remedy quickly eradicates the germs and overcomes the depressing effects of the disease. It quiets and soothes the nerves, invigorates the appetite and creates new life and vigor. It increases the nerve force and vital power, builds up the resistive strength and prevents such terrible after effects as pneumonia, heart failure, nervous prostration and insanity, by completely restoring the body to a healthy condition.

very nervous and uneasy and had heavy pains in the back of her head and under shoulder blades. By noon she was so bad that she was almost delirious and it was then that I commenced giving her Dr. Miles' Nervine. She felt the effect of the medicine inside of an hour, and by evening she was quieted so that, after taking a full dose, she retired and slept soundly all night. The next morning she could not tell that she had had the grip. This cure seems almost too rapid to be true, but it is a fact, and we think if she had taken the Nervine before the attack it would never have come on. Since then she has taken eight bottles of Dr. Miles' Nervine and the nervous trouble has entirely disappeared.
