## Don't Give up the Ship.

When the demon of disease has pursued you to the very brink of despair, don't give up the ship. When the long, sleepless nights of restless torture and the days of worry and care and pain have shut out the last ray of hope and your tired brain would welcome death as a grateful deliverer, don't give up. Others have fufured as long as you and still have found relief. After suffering this way for years my health was finally restored with a few bottles of the Dr. Miles' Restorative Nervine." Dr. Miles' Nervine is sold at all drug stores on a positive guarantee.
