Torkel Holiland expects to leave Monday for Griggs county, N. D., on business.

We understand that Torkel Holiland has selected a lot and will erect a building to be used as a meat market before many moons.

A. J. Saterstrom returned on Monday from a ten days' stay at Fargo and Grand Forks. He says he had a delightful trip and very much enjoyed the stay with his host of friends in the two cities. He reports Fargo, his former home, just as lively as ever, with many large buildings being erected and an air of general prosperity prevailing. One of the new things he saw in Fargo was the immense cannon captured from the Spaniards in the Philippines by the North Dakota boys and brought to Fargo.

### Look for the Warning.

Heart disease kills suddenly, but never without warning. The warnings may be faint and brief, or may be startling and extend over many years, but they are none the less certain and positive. Too often the victim is deceived by the thought, "it will pass away." Alas, it never passes away voluntarily. Once installed, heart disease never gets better of itself. If Dr. Miles' Heart Cure is used in the early stages recovery is absolutely certain in every case where its use is persisted in.

"For many years I was a great sufferer from heart disease before I finally found relief. I was subject to fainting and sinking spells, fullness about the heart, and was unable to attend to my household duties. I tried nearly every remedy that was recommended to me, and doctored with the leading physicians of this section but obtained no help until I began taking Dr. Miles' Heart Cure. It has done me more good than all the medicine I ever took."
