LENGBY NEWS.

J. Bein was here a few days the past week.

A. J. Olson has been here the past week fixing up about his new residence. He will move here in a short time.

Ole Lenberg left for his claim in Beltrami county this week.

John Newton, of Rosebud, was here Saturday.

Master Allen Olson came up from Fosston Saturday on his wheel and remained over Sunday.

The usual Saturday night dance took place at the hall. The barrel of beer that was present only had two knock downs in it.

About twenty of Fosston's young people drove up Sunday for a picnic and they seemed to have had a good time.

W. L. Hilliard left Monday evening for White Earth to meet the old soldiers Memorial Day.

Christian Ellingson left Monday for Roseau county on an exploring expedition.

Adolph Fredrickson is assisting at the brick yard this week.

A nephew of Ole Loumen's who has been here since last fall, left for Duluth on Monday.

Rundena Weiler returned from Bagley a few days ago.

Boys' Belongings.

There are numerous possessions that are very dear to a boy's heart—his bats and balls, his fishing tackle, his tennis racket, his tops and marbles, his—well, who can name all the possessions that are dear to a boy's heart?

When the boy has no place in particular in which to bestow his belongings, says a writer in 'The Ladies' World', he is apt to pre-empt quarters wherever it suits his convenience, often to the no small disturbance of orderly house-keeping.

Now give the boy a chance to be orderly and see if he won't live up to his opportunities. It will be much better

BOY'S LOCKER.

For the habits he is forming and considerably better for the one who is trying to keep her house orderly.

Make the boy a locker, where he can keep all his possessions, and locate it in the laundry, the back hall or in some other place so that he won't have to tear through the house every time he wants one or another of his playthings.

The shape shown in the illustration may be suggestive only, for the locker should be arranged to hold the particular articles which the particular boy has in his possession, and only the possessor of the boy in question can possibly know what these may be.

How to Fold Your Skirt.

Fold a dress skirt in horizontal rather than in longitudinal lines if you would have it retain its freshness to the utmost.

The skirt in wearing always acquires lengthwise creases. Therefore put it away so that these evidences may be counteracted.

Stretch the garment out full width, then double it downward from the belt to fit the limitations of the place in which you mean to lay it. If drawer or trunk is too short to accommodate the entire outspread width of skirt, which is likely, then let the final fold be the only one that circumscribes the breadth. This method tends to smooth out the lines and "mussiness" of wear. It is especially practicable in packing. —D. F. Ayers in Demorest's.

Wheat Muffins.

For wheat muffins take one cup of milk, one tablespoonful of melted butter, one well beaten egg, a little salt, one tablespoonful of sugar, two teaspoonfuls of baking powder and two cups of flour. Bake these in a quick oven, in gem pans, for 20 minutes.

Summons.

B. S. BENSERT, Attorney for Plaintiff, W. E. Rowe, Of Counsel, Fosston, Minn. Dated, March 29th, 1900.

HE ALTERED HIS OPINION.

"Now, it's my opinion, old chap," said Poffat, who thinks he's an authority on dogs, "that as long as you take no notice of dogs they won't bite you!"

But just then a mad dog came careering round the corner, and before Poffat could say Jack Robinson that dog had nipped him in a dozen places.
