At Halstad one day last week Miss Augusta Olson was married to Lars L. Houski, a widower who has survived two wives and is 82 years old. The bride is about 75 years old.

Deputy Sheriff Marvin Losey was over from Crookston yesterday letting his friends know that he was alive and "up and coming" after the pop nomination for sheriff at their convention.

Our fire laddies are now "in camp," near Mr. Campbell's residence, and practicing every morning before the rest of the town is awake, for the tournament. They are going to make a showing for their home town when the time comes.

Erick O. Hagen, the son of Judge Hagen of Crookston, and one of those who delivered addresses at the Old Settlers' picnic held east of here last Saturday, has recently graduated from the state university and will now enter into the practice of law in Crookston.

Rev. Sather and J. A. Hendricks, representing the Fosston congregation, and Kaute A. Hoelmann, representing Froens, left yesterday for Wilmar to attend the Minnesota District Convention of the Synod Church. The conference will last eight days and many pastors and delegates will be in attendance from all parts of the state.

Peoples' Press: The Sixth annual tournament of the Northern Minnesota Firemen's Tournament association will be held at Fosston on June 27, 28 and 29. The prizes offered are all cash except the championship banner for the association hose race and to this there is attached a cash prize of \$35. For all of the other numbers on the program the winners are offered Cash prizes much larger than have ever been offered in any of the association tournaments heretofore. The indications are that Fosston will have the best turnout of any tournament ever held by the association and the enterprise and generosity of Fosston's citizens certainly merit such a liberal patronage.

The Doctor's Answer.

What causes paleness and weakness? It is lack of iron in the blood and when ever iron is wanted in the system, weakness is always the result. Now to those who are pale, weak and languid, we say, try H. W. Barker's Iron Compound. It is the strongest and best iron preparation known to medical science. 50 cents at P. M. Mark.

Supt. Hitchcock, of Crookston, had his collar bone broken a few nights ago in a peculiar manner. He was pushing a go-cart giving his little child an airing. He went particularly fast across a crossing, a wheel ran down into a crack and stopped proceedings so abruptly that Mr. Hitchcock kept on going—over the cart, and landed upon the wrong place with the above results. The child was uninjured.

Restores vim, vigor, mental and physical power, fills your body with warm, tingling life. That's what Rocky Mountain Tea does. 35c.—P. M. Mark.

It is stated at the interior department at Washington that Indian Agent Mercer at Leech Lake has recommended that certain timber on the Red Lake, Leech Lake and White Earth reservations be disposed of next season. The agent speaks of millions of feet of timber on the reservations as having been burned over, and says that thousands of dollars will be saved to the Chippewas if the timber is sold before it rots. The agent incidentally remarked that the Indians are opposed to the proposed park on the reservations and opposed to the disposal of the pine under the terms of the Nelson law.

The Brandsvold Young Peoples' Society had their last meeting at Mr. and Mrs. Hoialmen's last Sunday evening and a large crowd was present. After an excellent program was rendered they all joined in playing games and amusing themselves, and a very pleasant time was the result of the natural bent of the crowd. While the games were taking place, Roy & Co. furnished refreshments. Some Fosstonites who took a notion of calling experienced a hearty welcome and good accommodation. Everyone who was present joins in expressing their heartfelt thanks to the originators for their work of preparation and entertainment and hope that their presence may have been to the welfare and prosperity of the society.—(Contributed.)

There's no beauty in all the land, That can with her face compare. Her lips are red, her eyes are bright, She takes Rocky Mountain Tea at night.—P. M. Mark.

Insist Upon Having Royal.

Royal Baking Powder is in the stock of probably every dealer of groceries in the state. If not, the grocer will add to the reputation of his store by keeping it.

Royal Baking Powder itself, and the packages which contain it, comply with all the food laws and every other law of the state, and if any dealer attempts to hinder its sale he does so for the purpose of palming off upon the customer a cheap and inferior substitute.

Consumers requiring pure and healthful baking powder, free from alum, should call for Royal. The authorities certify this brand of greatest value, highest in strength, pure and wholesome.

Olof Peterson Stene was brought here yesterday by Constable Hilliard, charged with rape. The county attorney not appearing to prosecute, the prisoner was remanded to Monday when the county attorney is expected to be present. The prisoner was taken to Crookston in the meantime, in default of securing \$500 bail. It appears to be a mixed up case, the party claimed to have been wronged, Carl Erikson, being now at Thief River Falls at work, and a step daughter of the prisoner. There are those who claim that the suit is brought about by relatives in order to get Stene out of the way while they make away with his property. B. S. Bennett will handle the defendant's side of the case.

Would Not Suffer so Again for Fifty Times Its Price.

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me alright. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price. G. H. Wilson, Liverman, Burgettstown, Washington Co., Pa. This remedy is for sale by P. M. Mark.

NORTHERN PACIFIC RAILROAD COMPANY West Superior, Wis. Dear Sirs:—I take pleasure in testifying to the merits of your prescription, No. 6088; it is sure death to rheumatism. I purchased two bottles and noticed an improvement on the third day, and when the second bottle was used up I was practically well and have not had a return since. I can frankly state that it cured me. Yours truly, A. H. BURR, Inspector Coal, N. P. R. R.
