Life lies in the blood. Strength lies in the iron of the blood. Disease consumes the iron, all fever burns and destroys it. The Urine becomes red or brown from iron which has been devitalized and secreted from the body through sickness and disease. Human life is frail and weak and is in a constant turmoil and struggle to supply the daily loss of iron. Weakness and paleness stand as witnesses that the human body is starving for nature's remedy, iron. 50 doses of H. W. Barker's Iron Compound will supply all the iron needed for three pounds of blood. It is the best remedy known to medical science and recommended by physicians.—P. M. Mark.
