Chinese are dangerous enemies, for they are treacherous. That is why all counterfeits of DeWitt's Witch Hazel Salve are dangerous. They look like DeWitt's but instead of the all-healing witch hazel they all contain ingredients liable to irritate the skin and cause blood poisoning. For piles, injuries and skin diseases use the original and genuine DeWitt's Witch Hazel Salve.

Here in Minnesota a person can not tell what county a town is in by the name. For instance Blue Earth City is not in Blue Earth county but in Faribault county and Faribault is in Rice county, and Rice is in Benton county. Becker is not in Becker county but in Sherburne county, and Sherburne is in Martin county. Grant is not in Grant county but in Washington county, and Washington is in Fillmore county. Norman is in St. Louis county and St. Louis Park is in Hennepin county. None of the following towns are in the county of the same name: Cottonwood and Marshall are in Lyon county, Dakota is in Winona county, Douglas is in Olmsted county, Itasca is in Beltrami county, Lake City is in Wabasha county, Rock is in Redwood county, Traverse is in Nicollet county, and Wright is in Carlton county.

The wolf in the fable put on the sheep's clothing because if he traveled on his own reputation he couldn't accomplish his purpose. Capt. VanSant, Republican candidate for governor, passed through here yesterday morning on his way to Bemidji to be present at the county convention of Beltrami county. The next governor of Minnesota stepped off the train here and shook hands with many local Republicans. He is a genial man, one of these plain, hearty, good natured gentlemen whom it does you good to meet. Along in years fairly well, yet his character has never been questioned and when he takes the governor's chair this winter he will do it credit and the whole state will have reason to be proud of the governor elect before his term is ended.

Life lies in the blood. Strength lies in the iron of the blood. Disease consumes the iron, all fever burns and destroys it. The urine becomes red or brown from iron which has been devitalized and secreted from the body through sickness and disease. Human life is frail and weak and is in a constant turmoil and struggle to supply the daily loss of iron. Weakness and paleness stand as witnesses that the human body is starving for nature's remedy, iron. 50 doses of H. W. Barker's Iron Compound will supply all the iron needed for three pounds of blood. It is the best remedy known to medical science and recommended by physicians.—P. M. Mark.
