The Crookston Daily Tribune was discontinued last week, but Editor McCall still continues his excellent weekly.

"Senator" Clark has not placed himself at the command of the Democratic managers for a stumping campaign. "Senator" Clark is not an orator, but his money talks.

The Democratic party is taking a good deal of pride in the fact that it has swallowed up or wiped out the Populists. The only way you can see Populism now is by looking down the throat of Democracy.

Great Britain and the other foreign powers said it would be impossible to make the advance on Pekin, but Uncle Sam said "Forward march!" and that settled it. A little of the spirit of militarism is a pretty good thing at times.

William Jennings Bryan is certainly a remarkable man. Any man who can run for office year after year, starting in with nothing, never being elected, and coming more and more prosperous, is almost a genius. And Charles A. Towne is almost as remarkable in this respect as Mr. Bryan.

The Crookston dailies, the Times and Journal, are amusing themselves with endeavoring each day to publish something editorially, more cutting than the "other fellow" can do. These controversies may interest them, but the public would possibly be relieved somewhat if they would just throw their animosity into the "hell" box and "saw wood."

Owing to the abundance of rain that has fallen since harvest began, the wheat already threshed is not grading well, it being too wet for the elevators to handle. Some samples sent in for inspection have received no grade. It will be difficult to realize fair prices upon the wheat that has been threshed before this time, but now the conditions are better.

Belgian Hares.

We are headquarters for Belgian Hare for St. Paul and the Northwest. The finest show room in the city and the largest and cheapest stock of corresponding grade. Parties who contemplate going into this line of business, which will be extremely profitable for many years to come, will make a mistake if they do not consult us. Let us know how much money you have to invest and we will show you how to use it to the best advantage. We want county agents for all unoccupied counties in Minnesota, Wisconsin, North Dakota, South Dakota and Iowa to take orders for Belgian Hares of all grade. Send 6 cents for booklet. Address—CALIFORNIA BELGIAN HARE CO., 620 Wabasha St., St. Paul, Minn.

Come out to the ball game tomorrow and encourage your home team. No wonder they lost the game today with empty grand stand staring them in the face. Visitors will think Fosston is asleep if no more citizens turn out tomorrow than showed up this afternoon.

There is not a department in the state government under Lind that is as well conducted as it was by his predecessor, says an exchange, and there is not a department of the state government under Lind but what is running at a greater expense than it ever did before. What therefore, is the benefit to the people by the "change" which was made in 1893?

Congressman Eddy has gone to Oklahoma to deliver a half dozen speeches in Dennis Flynn's district and Dennis will return the compliment by delivering a number of addresses up here in the seventh, says the Fergus Falls Journal. Mr. Flynn was one of the ardent champions of the free homes bill when the measure was before congress, and as his opponents at home are trying to belittle his work in its behalf while Eddy's enemies are trying to rob their congressman of his well-earned laurels, the two have decided to exchange pulpits for a few days.

Wanted:—Christian man or woman to qualify for permanent position in this County, as Manager and Correspondent—\$900 yearly. Enclose self-addressed stamped envelope to O. L. Nelson, Secretary, Trust Building, Duluth, Minn.

Rev. J. M. Yingling, pastor of the Bedford Street Methodist church at Cumberland, Md., says: "It affords me much pleasure to recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy. I have used it and know others who have done so. I have never known it to fail. It is a sure cure when taken in time." For sale by P. M. Mark.

Quite a number of prospective settlers are coming into this locality at present. One gentleman who has been throughout the Northwest and Manitoba was a caller yesterday and remarked that he had seen the best farming country since reaching Fosston that he had found in his travels. Other farmers accompanied him and they will probably locate in this vicinity.
