## How To Gain Flesh

Persons have been known to gain a **pound a day** by taking an ounce of **SCOTT'S EMULSION**. It is strange, but it often happens.

Somehow the ounce produces the pound; it seems to start the digestive machinery going properly, so that the patient is able to digest and absorb his ordinary food, which he could not do before, and that is the way the gain is made.

A certain amount of flesh is necessary for health; if you have not got it you can get it by taking

**Scott's Emulsion**

You will find it just as useful in summer as in winter, and if you are thriving upon it don't stop because the weather is warm.

Quite a number of Fosston people are attending the state fair this week, among them being Mr. and Mrs. Scott, Mr. and Mrs. K. Movold and Messrs. S. T. Rickansrud, John Omland and John Yoeman.

When you are born the Creator starts you going and you go a long time, if you grease the main-spring of life with Rocky Mountain Tea. Great lubricator.—P. M. Mark.

E. Gunelius, who brought his threshing rig down from Teckla two weeks ago and threshed out a few settings since then in this vicinity, returned home Tuesday to await clear weather. The prevailing heavy rains have softened up the ground so that it is impossible to move a threshing rig about.

During the severe thunder storm of Wednesday morning, lightning struck a large stack of wheat on the John Yoeman farm, destroying nearly all of it, although some of the neighbors succeeded in saving a load or two from it. If it had not been for the pouring rain that followed the lightning the whole setting would undoubtedly have been burned.

For Sale—Two improved farms at a bargain if taken at once.

Last Tuesday afternoon about 6:15, a team hitched to a lumber wagon, the property of Aug. Edsten, ran away from the Fosston Elevator & Roller Mills, where he had been with a load of wheat, and made a wicked run up Front street. At Hillestad & Blyberg's corner they came near running into the store window, but sheered off and continued along the sidewalk west until they smashed into a buggy and team belonging to A. J. Widness of Winsor. This stopped the runaway, but at the cost of a badly injured horse and damaged buggy. The left front wheel of the buggy was completely smashed, as was the tongue, the end of which pierced the neck of one of the horses attached thereto, making a large, dangerous wound. Edsten's team escaped without injury.

Old "Don" is gone. After thirteen years of faithful service to his master his life spark went out in the twinkling of an eye last Saturday afternoon, when he was crushed under the wheels of a freight car as he was crossing the tracks at Harrison avenue. Don came from no mean stock. He had a noble pedigree in fact, but the cruel wheels showed no respect for his pedigree or years. All the old hunters about here knew him and many an unlucky prairie chick has been dropped from over his unerring nose. But his days of usefulness were past, and his slowness of gait was probably accountable for his tragic end, although his owner, J. H. Loen, was sad at losing his aged pet.

J. Adam Bede, who will open the Republican campaign in Fosston on Thursday, Sept. 20th, is one of the foremost political speakers of the state. With an abundance of wisdom and familiarity with the political questions of the day, Mr. Bede combines the wit of a Bill Nye and keeps his audience in a good humor throughout his discourse and the general verdict is that his speeches seem much too short. Don't miss this treat. You will be entertained, no matter what political party you belong to.

A Clay county farmer has a bin containing about 800 bushels of wheat. About a month ago he proposed to market the grain, but on going to the bin, he discovered that a hen had established her nest on the wheat, was setting there, and that to remove the grain would break her up. He decided not to disturb her, but wait until she came off with the chicks. In the meantime the price of wheat advanced until the farmer discovered that he had gained over \$100 by allowing the hen to set it out.
