A WONDERFUL CURE OF DIARRHOEA.

A Prominent Virginia Editor had Almost Given up, but Was Brought Back to Perfect Health by Chamberlain's Colic, Cholera and Diarrhoea Remedy. Read His Editorial.

From the Times, Hillstille, Va.

I suffered with diarrhoea for a long time and thought I was past being cured. I had spent much time and money and suffered so much misery that I almost decided to give up all hopes of recovery and await the result, but noticing the adverticement of Chambelain's Colic Cholera and Diarrhoea Remedy and also some testimonials stating how some wonderful cures had been wrought by this remedy, I decided to try it. After taking a few does I was entirely well of that trouble, and I wish to say further to my readers and fellow-sufferers that I am a hale and hearty man today and feel as well as I ever did in my life.—O. Larson & Carpenter's store at McIntosh was struck by lightning at some time during Sunday last and damaged to the extent of about $50. Mr. and Mrs. Paul Carpenter, who live over the store, were in Crookston from Sunday night till Monday and on their return they found the evidences of the visitation. It had entered at one corner of the room tearing it considerably and the curtains and carpet were also torn, but it was fortunate that no one was at home at the time.—Crookston Tribune.

C. A. Hitchcock came up from Crookston last Sunday and later, drove down to Rice River to look after a quantity of hay for which he had contracted some time ago. He found it in good condition, it having been stacked upon high ground, but he passed by thousands of tons of hay standing in the water. Nearly all of the grass stacked on the reservation meadows will be spoiled by the water that lays over the ground from a few inches to several feet in depth.

A new fakir is abroad in the rural regions. He drives through the country and sells soap at $5 a box, which sum includes the price of forty yards of carpet selected from sample which he has in his wagon. He takes the $5, leaves the box of soap, promises to deliver the carpet of the selected sample within a week, and drives away. The soap is probably worth 50 cents. It stays with the purchaser. The carpet is probably worth $15 and stays with the fakir and has not yet been delivered to a single victim. Farm families shou'd be on guard against this new fakir.

The Doctor's Answer.

What causes paleness and weakness? It is lack of iron in the blood and whenever iron is wanted in the system, weakness is always the result.
