A Prominent Virginia Editor had Almost Given up, but Was Brought Back to Perfect Health by Chamberlain's Colic, Cholera and Diarrhoea Remedy. Read His Editorial.

From the Times, Hillsville, Va.

I suffered with diarrhoea for a long time and thought I was past being cured. I had spent much time and money and suffered so much misery that I almost decided to give up all hopes of recovery and await the result, but noticing the advertisement of Chamberlain's Colic Cholera and Diarrhoea Remedy and also some testimonials stating how some wonderful cures had been wrought by this remedy, I decided to try it. After taking a few doses I was entirely well of that trouble, and I wish to say further to my readers and fellow-sufferers that I am a hale and hearty man today and feel as well as I ever did in my life.—O. R. Moore. Sold by P. M. Mark.

### The Doctor's Answer.

What causes paleness and weakness? It is lack of iron in the blood and when iron is wanted in the system, weakness is always the result. Now to those who are pale, weak and languid, we say, try H. W. Barker's Iron Compound. It is the strongest and best iron preparation known to medical science. 50 cents at P. M. Mark.

As usually treated a sprain will disable the injured a person for three or four weeks, but if Chamberlain's Pain Balm is freely applied a complete cure may be effected in a very few days. Pain Balm also cures rheumatism, cuts, bruises and burns. For sale by P. M. Mark.
