# FIGURES TELL THE STORY

## Great Political Battle Decided in Favor of Republican National Ticket.

## McKINLEY AND ROOSEVELT THE VICTORS

## Returns From all States Practically Complete--Congress Remains in Republican Control.

Returns from practically all of the states are complete. The figures, though unofficial, leave no room for doubt, except in Kentucky, Idaho and Nebraska. In the two former the chances favor the Democrats, while both parties appear to be equally sanguine of capturing Nebraska. McKinley and Roosevelt are elected by a large popular vote and their vote in the electoral college will be 292, providing Nebraska turns out to have gone Republican.

The Republicans have elected at least 203 congressmen, with a combined opposition of 154, making a Republican majority of 49. In the senate the Republicans will have 56 votes, and the combined opposition, conceding 2 to Nebraska, of 37, making a Republican majority of 16.

The following is the electoral vote, with pluralities:

### NEW YORK.

**Gives Republican Ticket a Plurality of 145,000.**

The official returns, although not quite complete, indicate that McKinley's plurality will be about 145,000. John B. Stanchfield, the Democratic nominee for governor, ran ahead of his party's presidential electors, but Odell's plurality still remains about 100,000. Both houses of the state legislature are Republican by a large majority, but a number of districts are close and it may require the official count to decide in several cases. The congressional representation from this state will consist of twenty-one Republicans and thirteen Democrats.

### ILLINOIS

**The State Is Republican by About 100,000.**

McKinley and Roosevelt will carry Illinois by about 100,000. Yates, for governor, will have nearly as large a vote. Returns received from the state at large do not materially alter the political complexion of the next state legislature. The probability is that the Republicans will have a majority of about twenty-two on joint ballot, which means a Republican successor to Senator Cullom. It is impossible to give figures with strong assurance of accuracy, but the next Illinois legislature will probably be about as follows: Senate, Republicans thirty-four, Democrats seventeen; house, Republicans seventy-nine, Democrats, seventy-four.

### INDIANA.

**Republicans Win Out by About 30,000.**

A plurality of anywhere from 28,000 to 32,000 for the Republican national ticket; the election of Col. W. T. Durbin (Rep.) to the governorship; the election of the entire state and Marion county Republican ticket, nine, and perhaps ten, out of thirteen congressmen, and the election of a legislature that will have a Republican majority of 49 on joint ballot is a summary in brief of the battle at the polls in Indiana.

### NEBRASKA.

**Result in Doubt With Both Sides Confident.**

Election returns in Nebraska are so close as to be watched keenly. Chairman Lindsay of the Republicans claims that McKinley carries the state by 7,000 or more, the Republican state ticket wins by 5,000 to 7,000, and that the Republicans have a majority of 17 in the legislature. They claim the re-election of Mercer and Burket for congress and the election of Pope, Moreland and possibly of Hays.

Against this the Democrats claim Bryan carried the state, though by a narrow margin of perhaps not over a thousand; that fusion has a clear working majority in the legislature; fusion state officers are elected by 3,000 to 5,000.

The legislature will be in doubt until complete returns are in. Indications are that it will be fusion by a small majority. Both parties are claiming the lead on joint ballot.

### MASSACHUSETTS.

**Full Returns Give McKinley a Plurality of 82,988.**

The vote of Massachusetts, returns having been returned from every city and town, is as follows: McKinley, 239,495; Bryan, 156,507. Vote for governor, Crane, 219,929; Paine, 121,158. The Republicans elected ten out of thirteen congressmen.

### MICHIGAN.

**McKinley's Plurality Is Over Ninety Thousand.**

Returns in Michigan give President McKinley a plurality of 90,858, and Col. A. T. Bliss, the Republican candidate for governor, 69,059. Col. Bliss is running about 20,000 behind his ticket and Mayor Maybury, the Democratic gubernatorial candidate, is a corresponding number ahead of his ticket.

### OHIO.

**The Vote Was the Largest Ever Cast in the State.**

The total vote in Ohio was about 1,100,000, the largest ever cast in the state, and the vote for minor parties was smaller than usual. The Republicans carried all of the close or doubtful congressional districts. McKinley received about 70,000 plurality.

### KENTUCKY.

**Republicans and Democrats Both Claim the State.**

The Kentucky governorship is still being claimed by both parties at the state capitol. The Democrats are claiming advices showing Beckham's election by from 4,500 to 6,000 while the Republicans claim the election of Yerkes by 2,500. Both parties claim presidential electors also.

### IDAHO.

**Republicans Win by a Small Majority.**

Practically complete returns show a small majority for the state and national tickets. The legislature will probably be fusion.

### IOWA

**Goes to the Republicans by the Usual Majority.**

The Republican plurality will run a little over 100,000, which is the high-water mark in the state's history. Every Republican candidate for congress is elected by increased pluralities ranging from 2,300 to 15,000.

### OREGON.

**Returns So Far Give McKinley Over 14,000 Plurality.**

Returns from all but 6 of the 32 counties in Oregon give McKinley a plurality of 14,105.

### VIRGINIA.

**Democrats Carry the State by 30,000.**

Complete returns give Bryan a plurality of 30,000. Democrats elect all their congressional candidates.

### CALIFORNIA.

**McKinley Carries the State by 40,000.**

Returns are almost all in and indicate that McKinley's majority will reach almost 40,000. Republicans elect all seven congressmen. Legislature Republican.

### COLORADO.

**Bryan's Plurality Will Probably Reach 40,000.**

Returns are sufficiently complete to indicate a plurality for Bryan of from 35,000 to 40,000. Fusionists elect state ticket and legislature.

### PENNSYLVANIA.

**Complete Returns Give McKinley 287,736 Plurality.**

Complete returns show a plurality of 287,736 for McKinley. The legislature is Republican by a large majority. Republicans elect 26 out of 30 congressmen; a gain of six.

### MONTANA.

**Bryan's Plurality Will Be 15,000 to to 18,000.**

The latest returns indicate a plurality for Bryan of from 15,000 to 18,000. The legislature, which will elect two United States senators, is Democratic. W. A. Clark will probably be re-elected.

### UTAH.

**McKinley's Majority Will Be at Least 4,500.**

The latest returns show that the Republicans have carried the state by about 4,500. The senate will stand 9 Republicans to 9 Democrats, the house being 28 Republicans and 17 Democrats.

### KANSAS.

**Republicans Are Victorious by a Good Majority.**

Complete unofficial returns give McKinley a plurality of 25,000. Legislature is Republican. Congress, seven Republicans and one fusionist.

### WASHINGTON.

**The State Gives McKinley a Margin of Over 5,000.**

Returns are so nearly complete that a majority of from 5,000 to 7,000 for McKinley is reasonably certain.

### WYOMING.

**McKinley Takes the State by a Fair Majority.**

This state gives the Republican national ticket a good majority legislature is Republican.

### MISSOURI.

**The State Gives Bryan 40,000 to the Good.**

The Bryan electors go in by about 40,000 plurality. Legislature is Democratic on joint ballot.

### MARYLAND

**Gets Into the Republican Column by a Safe Margin.**

Maryland's plurality for McKinley will reach close to 15,000. A solid Republican delegation is sent to congress.

### IN M'KINLEY'S COLUMN.

**States Which Were Conceded to Republicans.**

West Virginia gave McKinley nearly 20,000 majority. All four congressmen Republican. Legislature Republican.

Oklahoma Territory elected a Republican legislature.

Rhode Island's corrected returns give McKinley 13,874 plurality.

New Jersey gives McKinley a plurality of 55,000. Legislature Republican on joint ballot.

Maine goes for McKinley, but by a reduced majority.

Vermont gives McKinley a good, safe majority.

Connecticut's revised returns give the state to McKinley by a plurality of 28,415.

Delaware gave McKinley and the state ticket a small majority. Republicans have a small majority in the legislature, which will elect two United States senators.

New Hampshire gives the state and national tickets 18,000 plurality. Legislature Republican.

### SURE BRYAN STATES.

**Usual Majorities for the Democratic Ticket.**

Arkansas gives Bryan a plurality of about 60,000. The Democrats elect all congressmen.

Texas contributes 175,000 majority and the congressional delegation will be solidly Democratic.

Nevada's majority for Bryan is 2,500. Newlands re-elected to congress.

Alabama's majority will be 40,000. The Republicans carried several counties.

Georgia reports 40,000 for Bryan.

North Carolina gives Bryan a majority of about 30,000. There will be seven Democrats and two Republicans in congress.

Florida goes Democratic by 23,000. Democrats elect governor and two congressmen.

Louisiana gives Bryan over 30,000 majority.

Mississippi gives the Democratic electors 40,000 majority.

South Carolina contributes its usual majority of about 45,000.

Tennessee goes to Bryan by about the usual Democratic majority.

### CONGRATULATIONS EXCHANGED.

**Two Victorious Candidates Felicitate Each Other.**

Canton, Ohio, Nov. 7.—Following are the messages exchanged by the president and Vice President-elect Roosevelt:

"Oyster Bay, N. Y., Nov. 6.—President McKinley, Canton, Ohio: I congratulate you and I congratulate far more the nation. I feel the most heartfelt gratitude over the result.

—"Theodore Roosevelt."

"Canton, Ohio, Nov. 7.—Hon. Theodore Roosevelt, Oyster Bay, N. Y.: I heartily appreciate your kind expressions and congratulate you upon concluding in health one of the most memorable campaigns in our political history.

—"William McKinley."

Telegraphic congratulations were received from hundreds of prominent men. Senator Hanna sent the following:

"Cleveland, Ohio, Nov. 7.—Hhe continued confidence of the American people as expressed at the polls yesterday is a tribute to your personality and matchless administration. God bless and keep you for the patriotic purposes to which you have dedicated your life's work.

—"M. A. Hanna."

### CANADIAN ELECTIONS.

**The Government Is Returned by a Good Majority.**

Ottawa, Ont., Nov. 8.—The result of yesterday's elections show that the government has been successful in securing a majority of from 50 to 70 members on the returns heard from, with 5 districts to hear from. Yesterday's elections were in 208 out of the 213 constituencies of the dominion, and the remaining five will hold their elections at later dates. This, of course, makes it entirely possible that when the elections are completed and when the later returns are received the present apparent majority may be reduced somewhat.

### KENTUCKY TRAGEDY.

**Five Men Killed in a Political Quarrel.**

Louisville, Ky., Nov. 8.—Quarrels over politics and gambling resulted in five men being shot to death in Kentucky. One man was fatally wounded.

**Struck at a Crossing.**

Cokato, Minn., Nov. 8.—The Great Northern eastbound cattle train struck Andrew Miller, an old resident of this village, while he was passing a crossing. He was badly bruised and there is but little hope of his recovery.

**Carmody Is Free.**

Fargo, N. D., Nov. 8.—Frank E. Carmody, held here for extradition to Mexico for complicity in the robbery of the safe of the General Electric company at the City of Mexico last March, was discharged by Commissioner Montgomery.

# PROBABLY VAN SANT

**INCOMPLETE RETURNS GIVE HIM 4,485 PLURALITY.**

**Several Counties Have Not Yet Reported and Late Figures May Change This Estimate — Democrats Do Not Concede Lind's Defeat—Republicans Elect All Seven Congressmen — McKinley's Plurality About 60,000.**

St. Paul, Nov. 8.—Minnesota gives McKinley 60,000 plurality. The gubernatorial contest is close. With several counties to hear from, Van Sant has a majority over Lind of 4,485.

Official returns may change these figures somewhat. The Republican state committee expresses confidence in the success of their ticket. The Democratic managers do not yet concede the victory to the Republicans.

The balance of the Republican state ticket has been elected by a safe margin.

The Republicans elect all seven congressmen by good majorities.

Hennepin county gave McKinley a plurality of about 11,000. Van Sant leads Lind by about a thousand.

In Ramsey county McKinley's majority will probably reach 4,000. Lind carried Ramsey county by a smaller majority than in 1898.

**Express Agent Missing.**

Milwaukee, Nov. 8.—John A. Burr, Jr., night transfer agent of the United States Express company at Green Bay, Wis., is missing. Burr is accused by General Superintendent E. S. Averill of the express company of having appropriated between $14,000 and $15,000.

# WIN IN WISCONSIN

**REPUBLICANS CARRY STATE BY ABOUT 106,000.**

**Robert M. La Follette Keeps Well Up With the Presidential Electors—Few Changes Likely to Be Made in State Offices.**

Milwaukee, Nov. 7.—Everything took on its normal condition to-day and there were no signs that an election had been held. The complete figures of the Republican victory in Wisconsin will not be known for perhaps several days, as many of the precincts are far distant from railway stations and will be sent in by mail.

Gen. Bryant, chairman of the Republican state central committee, reduced his claims of plurality slightly from those previously given out, placing his latest estimates at 106,000 for both national and state tickets.

Chairman Worden of the Democratic state committee was at his office attending to the winding up of the affairs of the committee preparatory to closing the headquarters. Speaking of the result in the state he said the stupendous majorities were a surprise to everybody.

The Republican state headquarters will probably remain open until the complete returns have been received. Intrest now centers in the appointments which will be made by Gov.-elect Robert M. La Follette. But few changes are likely to be made by the new governor and no changes are talked of in the offices of the other state offices.

The only counties in the state carried by the Democrats were Calumet, Dodge, Jefferson, Manitowoc and Ozaukee.

Gen. Bryant wired to Mr. La Follette in Madison from time to time that he was keeping up with McKinley. In most cases the returns show that the Republican nominees for congress were running about the same as the nominees for president and governor, except in the Second and Fourth districts, where Dahle and Otjen ran somewhat behind the ticket.

The pluralities of the Republican congressmen in the first six districts are First district, A. Cooper, 11,000; Second, Herman Dahle, 2,000; Third, J. W. Babcock, 13000; Fourth, Theodore Otjen, 2,500; Fifth, S. S. Barnay, 6,500; Sixth, J. H. Davidson, 7,000.

The Republicans elected ten assemblymen and the Democrats five in this city. The fight between Otjen and Peck in the Fourth congressional district was a warm one, Otjen winning out by a greatly reduced plurality.

Gen. Bryant, the Republican chairman, says: "We will have a solid congressional delegation, and the state legislature will be overwhelmingly Republican."

Complete returns from Milwaukee county give McKinley a plurality of 8,973, and La Follette (Rep.) for governor a plurality of about the same figures.

The congressmen elected are as follows: First district, Henry A. Cooper, (Rep.); Second district, Herman B. Dahl (Rep.); Third, Joseph W. Denver, Nov. 7.—Senator E. C. Wolcott, who will be succeeded by a Democrat at the coming session of the legislature, has been offered and will accept a cabinet portfolio at the hands of President McKinley, it is announced authoritatively. The offer was made some time ago, it is stated, but the senator asked that it be held open until after the election in order that he could work for a vindication at the polls at the hands of Coloradoans. His request was granted, but the vindication he desired failed to materialize. It is understood, however, that he will be named in March next as secretary of the interior in place of E. A. Hitchcock of Missouri. Mr. Hitchcock has been desirous of retiring, it is said, for some time, but has been prevailed upon by the president to remain until the latter's term expires. He will, therefore, resign in March and decline a reappointment.

The stock exchange opened promptly at 9:30 and hundreds of brokers rushed in shouting "Unions." Prices would have risen faster, but the speculators took profits while they could. Atchisons were offered at 36 and then dropped to 35. Then the other stocks went down, but again there was a storm of buying which turned the tide.
