Queer Titles to Queer Books.

The world of books is full of queer titles, but few will appear more strange to modern readers than that of a book, in five volumes, called: "On the Divine Noble Gift, the Philosophical, highly Dear and Wondrous Art to Brew Beer." This book was published in 1775, by H. Knaust, and it would probably have been forgotten long ago but for its queer title.

Since this work was issued, the art of brewing beer has changed in many respects. The beer of those days would hardly suit the discriminating modern palate. Science and art have combined to develop the splendid "Golden Grain Belt" beers, a malt food product of great value, brewed by the Minneapolis Brewing Co., which but to try is to approve. Order of your local dealer or Alex Thompson, Crookston.

Glorious News.

There is no pleasure in life if you dread going to the table to eat and can't rest at night on account of indigestion. Henry Williams, of Boonville, Ind., says he suffered that way for years till he commenced the use of Kodol Dyspepsia Cure, and adds: "Now I can eat anything I like and all I want and sleep soundly every night." Kodol Dyspepsia Cure will digest what you eat.—Ed. Rued.

A contest alleging abandonment has been commenced by T. J. Haure of Thief River Falls, against Mrs. Jennie Cunningham. The land involved is a portion of the original claim made by Mrs. Cunningham, who was the second person to file, at the time of the opening in May 1896. After successfully maintaining her right to a portion of land by defending four contests, it is alleged that Mrs. Cunningham has boarded up the windows of her claim shanty and wholly abandoned the place for upwards of six months.

Torturing skin eruptions, burns and sores are soothed at once and promptly healed by applying DeWitt's Witch Hazel Salve, the best known cure for piles. Beware of worthless counterfeits.—Ed. Rued.
