"About five years ago I was troubled with catarrh of the lower bow," says C. T. Chisholm, 484 Dearborn Ave., Chicago, and although I consulted several eminent physicians who prescribed for me, I found their remedies failed in my way relieve me, and the trouble almost became chronic. After suffering several months, I one day concluded to try Chamberlain's Colic, Cholera and Diarrhoea Remedy and I beg to assure you that I was most agreeably surprised to find after taking two doses of the remedy that I completely relieved of the disease that had cost me so much trouble and annoyance. I am thankful to say that I have not suffered from it since." For sale by all druggists, Fosston, Minn.

One Samuel Moser started a contest at Bemidji two years ago upon a homestead north of that city and then moved to Illinois. It was only recently that the cancellation of the former entry on the land was secured and his attorney notified the man to come and take possession. An Illinois lawyer wrote in reply that it would be impossible for Moser to come for he was awaiting trial for the murder of his wife and three children. Norman county is said to have been his home before he went to Bemidji.

A number of poor families in Bemidji will have good cause to remember Thanksgiving Day, 1900, through the kindness and unbounded liberality of Mayor Frank Dudley. Chief of Police Glidden had been instructed to locate households where needy, fat fowls would be timely and acceptable gifts, and on Thursday morning Mr. Dudley's delivery was loaded up with 1100 pounds of turkeys, chicken and venison, and Officer Glidden personally superintended the distribution. It was a very thoughtful and kindly act on the part of our worthy mayor, and may he live long and flourish in the land.—News.
