

## The Thirteen Towns.

By A. W. FOSS.

The Office of THE THIRTEEN TOWNS is on Stephens Avenue, Opposite Postoffice.

Entered at the Post Office at Fosston as Second Class Mail.

There are yet a large number of our subscribers from whom we would like to hear before the end of the year, or soon after.

The Great Northern railroad tunnel under the Cascade mountains has been completed and trains are using it. It cost about \$4,000,000.

That the coming new year may be one of peace and happiness to all of our readers, whether at home or abroad, is the sincere wish of THE THIRTEEN TOWNS.

The Solway Press came out last week with "Kirsch & Umland" at the head. Its appearance shows the decided improvement derived from the change in partnership.

On another page will be found news article regarding the incorporation of the Fosston Wind Stacker Co., which is now accomplished, but, unfortunately for the place after which it is named, Fargo will be its business headquarters. This work was bound to be brought about sooner or later. A year ago the projectors of this important business attempted to interest Fosston capital in the enterprise and keep the business here, but with little encouragement. From Fargo, which city was used this summer by the original company as a distributing point for North Dakota, entirely different results were obtained. The company is now supported by a strong financial backing and is sure to go ahead and prosper, for they have a good thing; the company knows it and so do the thrashermen. We wish them the best of luck, only regretting that the location of their large factory is not to be in Fosston in place of Fargo.

Now is the time when croup and lung troubles prove rapidly fatal. The only harmless remedy that produces immediate results is One Minute Cough Cure. It is very pleasant to take and can be relied upon to quickly cure coughs, colds and all lung diseases. It will prevent consumption.

### Free of Charge.

Any adult suffering from a cold settled on the breast, bronchitis, throat or lung troubles of any nature, who will call at P. M. Mark will be presented with a sample bottle of Boschee's German Syrup, free of charge. Only one bottle given to one person, and none to children without order from parents. No throat or lung remedy ever had such a sale as Boschee's German Syrup in all parts of the civilized world. Twenty years ago millions of bottles were given away, and your druggists will tell you its success was marvelous. It is really the only Throat and Lung Remedy generally endorsed by physicians. One 72 cent bottle will cure or prove its value. Sold by dealers in all civilized countries.

Art thou one of the many that has drained the Golden Nectar that maketh thy heartful of strength and gladness? If not take Rocky Mountain Tea.—P. M. Mark.

### A Thousand Tongues

Could not express the rapture of Annie E. Springer, 1225 Howard st., Philadelphia, Pa., when she found that Dr. King's New Discovery for Consumption had completely cured her of a hacking cough that for many years had made life a burden. All other remedies and doctors could give her no help, but she says of this Royal Cure—"It soon removed the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praises throughout the Universe." So will every one who tries Dr. King's New Discovery for any trouble of the Throat, Chest, or Lungs. Price 50c. and \$1.00. Trial bottles free at P. M. Mark's Drug Store; every bottle guaranteed.

The Indians on the west end of the Red Lake reservation will hereafter receive their annuities at Highlanding.

### The Best Plaster.

A piece of flannel dampened with Chamberlain's Pain Balm and bound to the affected parts is superior to any plaster. When troubled with lame back or pains in the side or chest, give it a trial and you are certain to be more than pleased with the prompt relief which it affords. Pain Balm also cures rheumatism. One application gives relief. For sale by all druggists, Fosston, Minn.

Many persons have had the experience of Mr. Peter Sherman, of North Stratford, N. H., who says: "For years I suffered a torture from chronic indigestion but Kodol Dyspepsia Cure made a well man of me." It digests what you eat and is a certain cure for dyspepsia and every form of stomach trouble. It gives relief, at once even in the worst cases, and can't help but do you good.

Help is needed at once when a person's life is in danger. A neglected cough or cold may soon become serious and should be stopped at once. One Minute Cough Cure quickly cures coughs and colds and the worst cases of croup, bronchitis, grippe and other throat and lung troubles.

### August Flower.

"It is a surprising fact," says Prof. Houton, "that in my travels in all parts of the world, for the last ten years, I have met more people having used Green's August Flower than any other remedy, for dyspepsia, deranged liver, and stomach, and for constipation. I find for tourists and salesmen, or for persons filling office positions, where headaches and general bad feelings from irregular habits exist, that Green's August Flower is a grand remedy. It does not injure the system by frequent use, and is excellent for sour stomachs and indigestion." Samples free at P. M. Mark.

Sold by dealers in all civilized countries. Get Green's Price Almanac.

### Items From Taste

The housewife is supplied with many beautiful and labor saving requisites in these days. Paper dollies have reached high art in texture and beauty of design. As instances, the latest are exact imitations of linen with hem-stitched edges and borders, the latter perfect copies of Mexican drawn work. The convenience of this lace paper napery can scarcely be estimated. In all sizes—round, square and oval—they suit every purpose and dish for table service. Under salads, ices and cakes they are quite as pretty and scarcely distinguishable from art linen, without the trouble of laundering afterward. The paper dollies, exquisite as they are, may be obtained at a price which warrants once using and throwing away, which is a great advantage.

A clever hostess not long since outdid her reputation for originality by serving terrapin in individual chafing dishes, a tiny spirit lamp burning under each one.

At ladies' luncheons little baskets of gentian birch bark at each cover hold candied cherries or cream dipped Almeria grapes. Green leaves are ingeniously folded in horn of plenty shapes and placed on tiny flat plates of cut glass to hold unhulled strawberries.

**To Clean Upholstered Furniture.** Brush the articles and beat the dust out first with a thin cane, then rub the upholstery all over with dry bran and a flannel. This is a treatment that should not be denied upholstered furniture during the spring cleaning, as it radically improves its appearance.

### Chocolate.

Chocolate is manufactured from the finer kinds of cacao seeds, with the addition of arrowroot, sugar and vanilla flavoring. It is rolled into a paste on hot plates and cast in molds in the shape of sticks or cakes.

### How to Cure Croup.

Mr. R. Gray, who lives near Amenia, Dutchess county, N. Y., says: "Chamberlain's Cough Remedy is the best medicine I have ever used. It is a fine children's remedy for croup and never fails to cure." When given as soon as the child become hoarse, or even after the croupy cough has developed, it will prevent the attack. This should be borne in mind and a bottle of the Cough Remedy kept at hand ready for instant use as soon as these symptoms appear. For sale by all druggists, Fosston, Minn.

### Another Word to the Ladies.

THE THIRTEEN TOWNS understands there are still a few ladies in Fosston and vicinity who did not take advantage of our recent offer to send an elegant silverplated sugar shell absolutely free of charge to any married lady who would simply ask for it, so we will renew the offer for a short time only. We sell these shells regularly at forty cents each. Retail jewelers ask fifty to seventy-five cents for such goods. They are exquisitely beautiful creations in high grade silver plate. To further advertise our ware we will send one, postpaid to every married lady who has not received one. This announcement should be cut out and returned to us with your request. (This is important.) Also please enclose a stamp or two to help pay cost of mailing. Quaker Valley Mfg. Co., Morgan and Harrison Sts., Chicago.
