Why did you choose to practice in a smaller rural community as opposed to a bigger urban hospital? What

sets them apart?
“I chose to practice in the smaller rural community because of the “family” atmosphere within the community and workplace.”
What do you like most about your job?
“I enjoy the challenges of taking care of a large range of patient’s needs. I also enjoy the people I work with.”
Dr. Tom is married to Michelle and has two children. His mother and three sisters live in New York.
