

# SALUTING NEW BUSINESSES IN BARREN COUNTY

## **SOUTHCENTRAL KENTUCKY COMMUNITY AND TECHNICAL COLLEGE**

Southcentral Kentucky Community and Technical College's newest facility on the Glasgow campus was officially opened with a ribbon cutting in September. The local institution has trained 2300 Licensed Practical Nurses and 150 Registered Nurses since its opening. According to Dr. Jimmy Isenberg, Campus Director, students can now take all required coursework at the local campus rather than having to travel to the main campus in Bowling Green. Isenberg anticipates having 100 students enrolled in the first semester of 2014.

## **MODERN WOODMEN OF AMERICA**

Modern Woodmen of America's local financial representative, Anthony Myatt, opened his agency's new office on August 6th. Myatt recently relocated his office at 625 Happy Valley Road in Glasgow. Modern Woodmen is a fraternal financial services organization. Anthony is licensed to sell all types of life insurance, health insurance, fixed annuities, variable annuities and mutual funds.
