

# St. Stephen's Episcopal Church Dedicates New Parish Hall

(Continued from Page 1)

For years the Parish Hall at St. Stephen's in Silver Springs Shores has been too small.

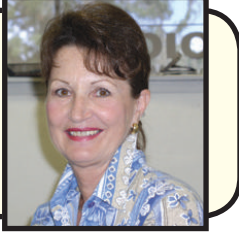

The seeds of a new building were planted when the Sunday School needed two separate classrooms and had nowhere to put them.

in size, and they now have two separate Sunday school rooms for the children.

After Rev Margaret Silk-Wright's, Sunday Service, the parishioners paraded over to the new Parish Hall for the dedication, blessing of

## View From My Lens

By Susan Winfree

The discussion started in 2011, and was it decided a new building was the way to go.

The addition construction was started in 2012 and now the new Parish Hall is finished and ready for meetings, and events to be held there.

The kitchen was remodeled and doubled

the building, and a nice lunch and fellowship.

To complete this project, it took MANY Prayers, donations and many volunteers working diligently to see the end project.

This day, the parish hall was dedicated, and all celebrated after the dedication.
