

A John Deere Inspection this Winter will ensure that you're ready for next year!

**Winter Service
2014-2015**

THERE'S NOTHING MORE MAJESTIC...

or American than a John Deere rolling across the plains. But to keep them rolling it takes more than just luck. Getting a John Deere inspection from Great Bend Farm Equipment this Winter is a great way to make sure your equipment is not only ready to roll, but also avoids downtime, next season.

JOHN DEERE

Nothing Runs Like A Deere™

TAKE ADVANTAGE OF THE BEST DEAL OF THE YEAR

Sign up and schedule...

your equipment to receive a 5% cash discount on Parts and Labor. OR a NO PAYMENTS/NO INTEREST Waiver until July 1, 2015. Sign up early to ensure that your equipment gets scheduled!

AVOID COSTLY DOWNTIME NEXT YEAR

Our John Deere trained...

technicians will inspect your machine and make all of the necessary repairs this Winter, using genuine John Deere parts. This reduces the chance of costly breakdowns next season.

**GREAT BEND FARM EQUIPMENT

The 5% cash discount cannot be combined with the No Payments/No Interest Plan. Offer valid from November 01, 2014 through April 30, 2015 and is subject to approved credit on a multi-use account, a service of John Deere Financial, L.L.C. Program options are available for agricultural and commercial multi-use account holders only. After the promotional period, interest charges will begin to accrue at the regular multi-use account rate. Available at participating merchants. Some restrictions apply. See store for details.
