

FINANCING TEXAS FOR 100 YEARS

**HERE TO HELP  
YOU GROW.**

Texas never stops. Thanks to the financial support of Capital Farm Credit, neither do the farmers and ranchers who call her home. For nearly a century, we've helped rural Texans show the world what hard work can achieve. But the job is far from over. And as rural Texas grows further, we'll be there. **Goldthwaite | 325.648.3117 | [CapitalFarmCredit.com](http://CapitalFarmCredit.com)**
