Pardue Tree Farm is a 3-generation family-owned farm. Over 25 years ago our father, Harold Pardue, started growing Fraser Fir Christmas Trees. Throughout the years we have become a diverse farm with cattle, sheep, horses, honey-

bees and some of the finest Choose & Cut Christmas Trees. We also grow the White Pine and Boxwood that we use in our wreaths and garland. We offer a variety of specialty items including double and triple mix garland, Christmas Star, Christmas Cross, Candy Cane, Advent Ring, Door Swag and Mailbox Cover (available in small & large sizes). We offer Fraser firs, tabletop to 14', and specialty items such as Baskets, Kissing Balls, Christmas Crosses, Cross & Star and more!

Take a hay ride to pick out your tree, enjoy our honeybee farm with honey for sale. Then warm up with a cup of hot cocoa or cider, pick out that perfect wreath, and visit with the animals while we take care of the rest. You can also visit our greenery area and see first-hand how we make our wreaths and garland. We provide free trimming, bailing, and loading of your tree.
