DABC Scholarship Program

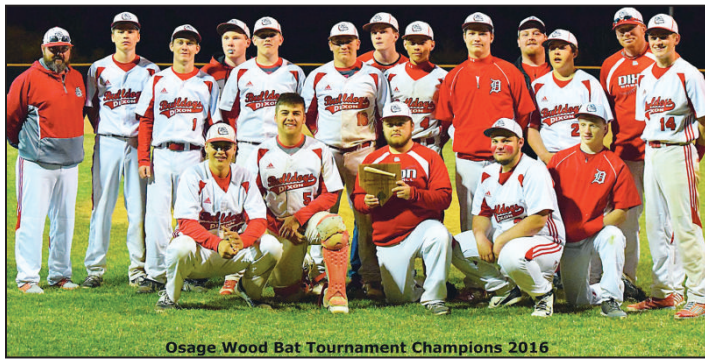

The objective of the DABC Scholarship program is to recognize graduating high school seniors who are college bound or enrolled to attend a trade school after graduation. To provide financial assistance in order to accomplish future educational goals.

They should have excelled in physical fitness, academic achievement, and community service. Plus be a role model to their peers and others to follow.

Each year DABC Awards two \$500 scholarships to one male and one female athlete total of \$1000. Checks are written out to the student and not to any particular school.

The following items were purchased or funds provided to support a particular event include:

- Girls Basketball fundraiser DABC advanced \$1,700 for the discount cards
- Purchased Weight Set for Girls Basketball team (\$1429)
- Purchased Locking Ball Racks for Girls Basketball Team
