American State Bank continues to grow

American State bank in Larned will celebrate its 13th anniversary on March 17th, 2016.

The Larned branch is

part of its parent company, American State Bancshares, with three banking charters and 15 locations in central and western Kansas.

In addition to the bank's anniversary, Linda Germer is celebrating 13 years as market president. Located in the old Santa Fe Railroad depot, the building has been remodeled but much of its history has been preserved.

Since opening, the bank has seen substantial growth, but Germer emphasized that financial growth does not diminish the bank's focus from personal service and customer satisfaction which are hallmarks of American State.

The Larned Branch offers full service, customer oriented commercial, agriculture and household banking products. New innovations in banking allow customers to manage their money using the latest technology.

In addition to Larned, American State Bancshares has locations in Augusta, Bellville, Clyde, Concordia, Garden City, Great Bend, Holcomb, Macksville, Rose Hill, Salina, St. John and Wichita.
