

## Meet the Top Five Most Popular Beef Cuts

For more simple meal ideas, nutrition information and cooking tips, visit [BeefItsWhatsForDinner.com](http://BeefItsWhatsForDinner.com)

Keep it simple. Make it memorable. We've all heard those age-old adages. So we're making it simple by introducing you to the top five most popular beef cuts.<sup>1</sup> Learn a little more about their personalities!

### #1: Chuck Pot Roast

Also known as Chuck Under Blade Pot Roast, I'm the one you turn to for comfort food and I'm best when braised (cooked low and slow in liquid). Classic comfort food is what [Simple Savory Beef Pot Roast](#) is all about. Or spice up your plate with [Smoky Chipotle Pot Roast with Cornbread](#).

### #2: Top Loin steak

With nicknames like New York Strip or Kansas City steak, you probably already know me, but did you know I'm lean? I have a dynamic taste and personality, which I'll bring front and center at your dinner table. [Sonoma Steaks with Vegetables Bocconcini](#) or [Grilled Steak and Plum Pizzettes](#) will be sure to please!

### #3: Top Round steak

Nothing melts the stress of the day away like a relaxing marinade made with tenderizing ingredients like wine, pineapple, ginger or lime juice. Under all my flavor and versatility lies a lean cut that doesn't skimp on taste! Try me in a [Sumptuous Steak Stir-Fry](#) or [Caesar Steak Sandwiches](#).

### #4: Top Sirloin steak

Think of me as the classmate who got voted "Most Likely to Succeed" ...at everything. Whether cubed for kabobs, stripped in stir-fry or grilled straight up as a steak, people know they can count on me to be a good value that gets along with countless dishes—like [Italian Beef & Fennel Salad](#). As if I couldn't get any better—I'm lean too!

### #5: T-Bone steak

They call me the Boss because I demand attention wherever I go! I'm great on the grill or broiled. Either way, I'll be ready to make a grand entrance...onto your dinner plate with nothing more than a simple [Lemon-Oregano Steak Rub](#). All that in a lean package—I'm not kidding!
