

**The Peabody Band of Gold & Peabody Band Boosters
Proudly Dedicate the 2017 Program to**

Gil & Leah Jean Rollins

This year the Peabody Band of Gold Booster Club is honored to dedicate the 2017 Peabody Football Program to Gil and Leah Jean Rollins.

Gil and Leah Jean began their careers with the Trenton band program at Trenton Rosenwald Middle School. They both served at several schools in many capacities before returning to the Trenton school district.

Because of their experience with bands, they have provided outstanding help and guidance to the Peabody and TRMS band programs. They have each done a little bit of everything from working in concessions, chaperoning trips, standing on the field to assist with practice, and helping the directors with warmups. Not to mention all the phone calls Gil has answered to rush by the school to get an item or two that a student left behind!

Without good leaders within the booster organization, the Band of Gold could not put the high level of show onto the field that hometown fans have come to expect every year. The Rollins family has always been supportive and has done a great deal of behind-the-scenes work to ensure that band members have everything they need to succeed.

There is no way to properly thank them for all that they have done, but we would like to take this opportunity to let them know how much we appreciate them.

THANK YOU, GIL & LEAH JEAN!
