

Deer Hunting 101

See the deer. *Shoot* the deer. *Find* the deer.
Heh, heh ... not as easy as it sounds, is it?

SEE THE DEER

Why Vortex scopes & optics?

- Unlimited, unconditional, lifetime warranty.
- Glass and Coatings give you clear images, especially in low light. You'd pay hundreds of dollars more for other manufacturers optics for this quality..

SHOOT THE DEER

Rifle or Crossbow

- We have customers who will drive 200 miles to purchase from us because we are honest and fair.
- Let us price your next purchase that looks like such a good deal online ... we'll save you freight and transfer fees.

We proudly represent:

Remington	Savage	
Tika	Smith & Wesson	Taurus
Mossberg	Marlin	Barnett
Henry	Sig Sauer	Wicked Ridge
Ruger	Glock	And More

WE MOUNT AND BORESIGHT FOR FREE with purchase of optic or gun.

FIND THE DEER

Seek Thermal Imaging Cameras

- You've invested a lot of time, money, and energy into hunting and you shoot a great trophy (really great bucks come at last light.) Yay!
- Now you have to find him. The Seek Thermal Image cameras help you find a buck before you can see him with your eyes, before or after the shot. Also great on varmints, birds, and other critters.

Seek Reveal hand held camera good for 10 hours to 900 feet. \$469.99

Seek Compact Camera for Smart Phones ... good to 1800 feet. \$299.99
