

SUPPORTING ALL AREA TEAMS

TAKING CARE OF YOUR HEALTHCARE NEEDS CLOSE TO HOME

Since 1994, Mills County Medical Clinic has been a cornerstone of the community's healthcare and our commitment continues. Providers at the clinic can handle a variety of healthcare needs including women's health. Preventative care is provided with wellness check-ups for infants, children, and adults of all ages. Digital x-rays and laboratory tests are performed at the clinic.

Mills County Medical Clinic is owned and operated by Coryell Memorial Healthcare System where on one central campus, in Gatesville, TX, you will find a wide range of health services including a 25-bed licensed hospital, Level IV Trauma Center emergency room, more than 30 primary and specialty care providers, an advanced wound care center, and a state of the art outpatient rehabilitation center. To find more visit cmhos.org.

Hours: Monday - Friday

8:00 am - 12:00 pm & 1:30 pm - 5:00 pm

Appointments are encouraged but walk-ins are also welcome.
