they really had a chance to get started. A senior leader on the team died tragically about the time school started, and later, two other runners were injured as the Pirates prepared for the regional meet.

Priddy finished sixth at regional last year and was unable to advance to state to try and defend its title.

"We're looking to bounce back," Hurst said of this year's outlook. "We had some injuries, and we just didn't perform well at regional last year. The kids want to improve on what they did last year."

Junior Chandler Hurst is the Pirates' No. 1 returning runner from last year. Louis Schimmel, another junior, is the No. 2 returning runner. Other returnees include seniors Aaron Ivy and Jayden Schrank, juniors Dominic Goehmann and Cottie Timmerman, and freshman Isaac Goehmann.

Carlos Andrade was a newcomer to cross country last year, and Coach Hurst expects a lot of improvement from the junior this year. Newcom-

er Trinton Herron, another junior, should be a solid contributor after qualifying for the area track meet in the 3200- and 1600-meter runs last spring.

Additional help will come from four freshmen: Joseph Hall, Chance Hodges, Egan Wood and Tristan Dudley.
