Bell Ringers ...

Coach Mike King and the 2017 Greene County Wildcats hope to have a lot to celebrate during the course of this season. One of the sweetest moments for the team thus far was celebrating with the The Bell trophy just minutes after claiming a 14-13 win over rival George County. King, who returned to Greene County this season as head coach after several season as offensive coordinator for his alma mater in Lucedale, was right in the middle of the celebration with his players after the game.
